

Allsops Bay, Lake Wairarapa.

- List by A. Townsend

Visited with Albert Rebergen on 6th Dec. 1996.
117 taxa; 37 adventive.

S27 90-88-
and 90-89-

Ferns

Asplenium flaccidum
Asplenium oblongifolium
Azolla filiculoides var. *rubra*
Blechnum minus
Cyathea medullaris
Dicksonia squarrosa
Histiopteris incisa
Hypolepis ambigua
Phymatosorus pustulatus
Pteridium esculentum
Rumohra adiantiformis

Podocarps

Dacrycarpus dacrydioides

Dicot. trees and shrubs

Alectryon excelsus
Brachylottis repanda
Cassinia leptophylla
*Chamaecytisus palmensis**
Coprosma areolata
Coprosma lucida
Coprosma propinqua subsp. *propinqua*
Coprosma robusta
Coprosma robusta × *C. propinqua*
Coprosma tenuicaulis
Corynocarpus leavigatus
Elaeocarpus dentatus
Hebe stricta var. *stricta*
Korthasella salicornioides
Kunzea ericoides
Leptospermum scoparium
Leucopogon fasciculatus
Macropiper excelsum
Melicytus ramiflorus subsp. *ramiflorus*
Myrsine australis
Pennantia corymbosa
Pittosporum tenuifolium
Pseudopanax arboreus
*Salix fragilis**
Weinmannia racemosa

Dicot. lianes

Calystegia sepium
Calystegia tuguriorum
Muehlenbeckia complexa
Muehlenbeckia complexa
Rubus australis
Rubus fruticosus agg.*
Rubus schmideloides

Dicot. herbs

Acaena anserinifolia
Aster lanceolatus Michelmas daisy
*Callitriche stagnalis**
Cardamine debilis
*Conyza albida**
Cotula coronopifolia
Dicondra repens
Epilobium ciliatum
Epilobium sp.
*Galium aparine**
Galium propinquum
Gnaphalium gymnocephalum
Gonocarpus micranthus
Haloragis erecta
Hydrocotyle novae-zelandiae
*Hypochoeris glabra**
Lobelia anceps
*Lotus pedunculatus**
*Lythrum hyssopifolia**
Mentha sp. mint
*Mimulus guttatus**
*Mimulus moschatus**
*Myosotis discolor**
Myosotis laxa var. *caespitosa**
*Plantago lanceolata**
*Plantago major**
*Polygonum persicaria**
*Polygonum salicifolium**
Pratia angulata
*Prunella vulgaris**
*Ranunculus repens**
Ranunculus sp.*
*Rorippa nasturtium-aquaticum**
Rumex conglomeratus
*Senecio hispidulus**
*Senecio jacobaea**
*Trifolium pratense**
*Trifolium repens**

*Veronica anagallis-aquatica**
Viola lyallii

Monocot. trees and shrubs

Cordyline australis
Phormium tenax

Rushes

*Juncus articulatus**
*Juncus bufonius**
*Juncus effusus**
Juncus gregiflorus
Juncus planifolius
Luzula picta

Sedges

Baumea juncea
Baumea rubiginosa
Baumea teretifolia
Carex dissita
Carex forsteri
Carex geminata
Carex secta
Cyperus ustulatus
Isolepis inundata
Isolepis prolifer
Isolepis reticularis

Grasses

*Agrostis stolonifera**
*Anthoxanthum odoratum**
Cortaderia fulvida
*Cortaderia selloana**
*Dactylis glomeratus**
*Festuca arundinacea**
*Holcus lanatus**
Isachne globosa
*Lolium perenne**

Orchids

Microtis unifolia
Pterostylis sp. nov: aff. *banksii*
Thelymitra longifolia

Other Monocots.

*Sisyrinchium iridifolium**
Sisyrinchium sp. "blue"*
Tradescantia fluminensis

Typha orientalis

Vegetation

- (*Coprosma propinqua*)/ harakeke- tall fescue- *Carex geminata* tussockland
- (manuka)- (*Coprosma tenuicaulis*)/ *Carex geminata*- (*Baumea rubiginosa*) sedgeland
- harakeke flaxland
- raupo reedland
- crack willow forest
- kanuka/ *Baumea teretifolia*- *Baumea juncea* forest
- *Juncus articulatus* rushland
- mixed herbfield: (scattered manuka)/ *Juncus articulatus*, *Isolepis inundata*, *Isolepis prolifer*, *Gonocarpus micranthus*, selfheal, *Pratia angulata*, *Lobelia anceps*, *Lythrum hyssopifolia*, *Thelymitra longifolia*, *Pterostylis* sp. nov: aff. *banksii*, etc. Cattle grazed pasture along the fence.
