 Ocean Mail Burn
~~Kaiangaroa Rocks~~

Dicotyledonous trees and shrubs

Coprosma propinqua	var martinii	
Cyathodes robusta	(Styphelia)	Chatham Is mingimingi
Dracophyllum scoparium	agg (D. paludosum)	
Olearia semidentata		Hangatere, purple tree daisy

Dicotyledonous lianes and related trailing plants

* Rubus fruticosus	agg. 19 micro species, P1119 V4.	Blackberry
* Rubus mucronulatus	(R. fruticosus agg.)	Blackberry

Ferns

Blechnum procerum	(B. minus of V1)	Kiokio, small kiokio
Pteridium esculentum	(P. aquilinum var esculentum)	Bracken, rauaruhe
Schizaea australis	(S. fistulosa of Brownsey)	Comb fern

Grasses

* Anthoxanthum odoratum		Sweet vernal
* Holcus lanatus		Yorkshire fog
Poa chathamica		Chatham blue tussock

Sedges

Baumea tenax		
Carex ventosa		
Isolepis nodosa	(Scirpus, Scirpoides)	Wiwi, leafless sedge
Isolepis reticularis	(Scirpus)	
Schoenus maschalinus		

Rushes and allied plants

Juncus gregiflorus	(J. polyanthemus)	Wiwi
Juncus pallidus		Wi
Luzula "acra"	(L. banksiana var acra)	
Sporadanthus traversii		

Remaining Monocotyledonous herbs

Libertia peregrinans		
----------------------	--	--

Daisy-like herbs

Gnaphalium gymnocephalum	(pp G. collinum)	Creeping cudweed
* Hypochaeris radicata	(Hypochaeris)	Catsear

Dicotyledonous herbs other than Compositis

* Anagallis arvensis		Scarlet pimpernel
Centella uniflora		
e Crassula hunua	(Tillaea pusilla)	
Drosera binata		Scented sundew
Epilobium chionanthum		
Gentiana chathamica		
Haloragis erecta	agg (H. colenoi)	Toatoa
Lobelia anceps		Wild lobelia
* Parentucellia viscosa	(Bartsia, Odonites)	Tarweed
* Prunella vulgaris		Selfheal
* Ranunculus repens		Creeping buttercup
