

## APPENDIX 1

Higher Plants (Ferns, Fern Allies, Conifers, Flowering  
Plants) of the Proposed Reserve, Castlepoint.

\* denotes adventive and/or introduced species.

<i>Acaena novae-zelandiae</i>	bidibidi
<i>Adiantum cunninghamii</i>	maidenhair fern
<i>Agropyron Kirkii</i>	grass
A. <i>scabrum</i> "green leaf"	grass
A. <i>scabrum</i> "glaucous"	bluegrass
* <i>Ammophila arenaria</i>	marram
<i>Apium australe</i>	native celery
<i>Asplenium anomodum</i>	fern
A. <i>flaccidum</i>	fern
A. <i>lucidum</i>	fern
* <i>Bromus</i> sp.	bromegrass
<i>Calystogis soldanella</i>	sand convolvulus
<i>Carex flagellifera</i>	sedge
C. <i>geminata</i>	sedge
C. <i>pumila</i>	sedge
* <i>Carpobrotus edulis</i>	large iceplant
<i>Cassinia leptophylla</i>	tauhinu
<i>Coprosma ac rosa</i>	sprawling sand coprosma
C. <i>repens</i>	taupata
<i>Cordyline australis</i>	cabbage tree
<i>Cortaderia toetoe</i>	toetoe
<i>Corynocarpus laevigatus</i>	karaka
<i>Daucus glochidiatus</i>	native carrot
<i>Desmoschoenus spiralis</i>	pingao
<i>Deyeuxia billardieri</i>	grass
D. <i>filiformis</i> var. <i>littoralis</i>	grass
<i>Dichondra bravifolia</i>	Mercury Bay weed
D. <i>repens</i>	hairy Mercury Bay weed
<i>Disphyma australe</i>	ice plant
<i>Epilobium nummularifolium</i>	willowherb
<i>Festuca multinodus</i>	grass
<i>Geranium microphyllum</i>	

Haloragis erecta	
Hebe stricta var. macroura	koromiko
*Hypochaeris radicata	
*Lagurus ovatus	haretail
Linum monogynum	
Lobelia anceps	
*Lupinus arboreus	lupin
Macropiper excelsum	kawakawa
*Marrubium vulgare	horehound
*Matthiolaincana	stock
Microseris scapigera	native dandelion
Microsorium diversifolium	fern
Microtis unifolia	orchid
Myoporum laetum	ngaio
M. serratum	Tasmanian ngaio
Muehlenbeckia complexa	coastal pohuehue
Myosotis pygmaea var. pygmaea	native forget-me-not
Notodanthonia buchananii	grass
N. clavata	grass
N. penicillata	grass
Olearia solandri	
Oxalis sp.	
Parietaria debilis	
Phormium colensoi	cliff flax
P. tenax	flax
Pioris echioides	oxtongue
Pimelea arenaria	
P. prostrata	
*Plantago coronopus	buckshorn plantain
P. spathulata	plantain
Poa anceps var. condensata	grass
P. anceps var. condensata X Poa caespitosa	grass hybrid
P. caespitosa	silver tussock
Polystichum richardii	fern
Puccinellia stricta (Atropis)	grass
Pyrrosia serpens	fern

*Scleria australis*

Selliera radicans	
Senecio compactus	Castlepoint shrub-daisy
* S. jacobae	ragwort
S. lautus var. lautus	(daisy)
Solanum aviculare	poroporo
S. Nigrum	black nightshade
Sophora microphylla	kowhai
Spergularia media	
Spinifex hirsutis	grass 16/3/99
* Stellaria media	chickweed
* Stenotaphrum secundatum	buffalo grass
Tetragonia trigyna	native spinach (smaller)
Thelymitra (probably) longifolia	orchid
* Trifolium sp.	clover
Trisetum sp.	grass
Vittadinia australis	(daisy)
Wahlenbergia gracilis (aggr)	native harebell
Zoisia minima	grass

78 native species

16 adventur and/or introduced species

The composition of the native flora is:

Ferns	7
Grasses	17
Herbs	29
Orchids	2
Sedges	5
Shrubs	13
Trees	4
Vines	1
